All,

The requested files and presented slides are attached. Eugenia, sorry for the slingshot attachment. For everyone else you just need to click on the link and follow the instructions to download the file.

I have changed the extension so that those of you that cannot receive zip files don't get the email bounced. Just remove the ".remove" from the end of the file name.

If you have any trouble downloading the files or have any questions about the files themselves please let me know.

Thanks,

James

Stephanie, Eugenia, Ray and Ed:

Attached is a copy of the CPG's presentation on surface COPC mapping. The CPG would appreciate a copy of the EPA's morphologic average mapping presentation that was presented yesterday.

Thank you for your time yesterday; the CPG looks forward to further discussions.
